Love in the dark - Adele

Take your eyes off of me so I can leave I'm far too ashamed to do it with you watching me This is never ending, we have been here before But I can't stay this time 'cause I don't love you anymore Please, stay where you are Don't come any closer Don't try to change my mind I'm being cruel to be kind I can't love you in the dark It feels like we're oceans apart There is so much space between us Baby, we're already defeated Ah-yeah-yeah-yeah-yeah-yeah-yeah Everything changed me You have given me something that I can't live without You mustn't underestimate that when you are in doubt But I don't want to carry on like everything is fine The longer we ignore it, all the more that we will fight Please, don't fall apart I can't face your breaking heart I'm trying to be brave Stop asking me to stay I can't love you in the dark It feels like we're oceans apart There is so much space between us Baby, we're already defeated Ah-yeah-yeah-yeah-yeah-yeah Everything changed me We're not the only ones,

Every word I've said,
you know I'll always mean
It is the world to me that you are in my life
But I want to live and not just survive
That's why I can't love you in the dark
It feels like we're oceans apart
There is so much space between us
Baby, we're already defeated
'Cause, ah-yeah-yeah-yeah-yeah-yeah
Everything changed me
And I-I-I-I don't think you can save me
