## Levitating - Dua Lipa

If you wanna run away with me, I know a galaxy
And I can take you for a ride
I had a premonition that we fell into a rhythm
Where the music don't stop for life
Glitter in the sky, glitter in my eyes
Shining just the way I like
If you're feeling like you need a little bit of company
You met me at the perfect time

You want me, I want you, baby My sugarboo, I'm levitating The Milky Way, we're renegading Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating
You, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating

I believe that you're for me, I feel it in our energy
I see us written in the stars
We can go wherever, so let's do it now or never, baby
Nothing's ever, ever too far
Glitter in the sky, glitter in our eyes
Shining just the way we are
I feel like we're forever, every time we get together
But whatever, let's get lost on Mars

You want me, I want you, baby My sugarboo, I'm levitating The Milky Way, we're renegading Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight

I need you all night, come on, dance with me I'm levitating You, moonlight, you're my starlight I need you all night, come on, dance with me I'm levitating

You can fly away with me tonight You can fly away with me tonight Baby, let me take you for a ride Yeah, yeah, yeah, yeah I'm levitating

You can fly away with me tonight You can fly away with me tonight Baby, let me take you for a ride Yeah, yeah, yeah, yeah

My love is like a rocket, watch it blast off And I'm feeling so electric, dance my arse off And even if I wanted to, I can't stop Yeah, yeah, yeah, yeah

My love is like a rocket, watch it blast off And I'm feeling so electric, dance my arse off And even if I wanted to, I can't stop Yeah, yeah, yeah, yeah

You want me, I want you, baby My sugarboo, I'm levitating The Milky Way, we're renegading

I got you, moonlight, you're my starlight I need you all night, come on, dance with me I'm levitating

You can fly away with me tonight You can fly away with me tonight Baby, let me take you for a ride Yeah, yeah, yeah, yeah I'm levitating You can fly away with me tonight You can fly away with me tonight Baby, let me take you for a ride Yeah, yeah, yeah, yeah

I got you, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating
You, moonlight, you're my starlight
I need you all night, come on, dance with me
I'm levitating
