

# What dreams are made of – Hilary Duff

Have you ever seen such a beautiful night  
I could almost kiss the stars for shining so bright  
When i see you smiling i go oh oh oh  
I would never want to miss this  
Cause in my heart i know what this is

This is what dreams are made of  
This is what dreams are made of  
I've got somewhere i belong  
I've got somebody to love  
This is what dreams are made of
