Laserlight – Jessie J & David Guetta

In the blink of a night I was falling from the sky In the blur, you took my breath away And my heart starts beating And my lungs start breathing And the voice in my head starts screaming I'm alive! You're like a laserlight, Burning up Burning down, on me You're like a laserlight, Burning up Burning down, on me You make me feel good, You make me feel safe, You make me feel like I could live another day You make me feel good, You make me feel safe, You know I wouldn't have it any other way (D-D-David G) (Je-Je-Jessie J) You and me, Face to face And there's so much I could say On these words, And forever seem the silence Can you hear, that box bre-brea-breaking And the world starts sha-sha-shaking They keep talking, talking, talking But we're walking, walking, to the light Tonight, tonight You're like a laserlight, Burning up Burning down, on me You're like a laserlight,

Burning up

You make me feel good,
You make me feel safe,
You make me feel like I could live another day
You make me feel good,
You make me feel safe,
You know I wouldn't have it any other way
Stop...please don't stop...I won't stop
We won't stop...
In the blink of a night
I was falling from the sky
In the blur, you took my breath away

Burning down, on me
