## **History - One Direction**

You gotta help me, I'm losin' my mind Keep gettin' the feeling You wanna leave this all behind Thought we were goin' strong, I thought we were holdin' on Aren't we? No, they don't teach you this in school Now my heart's breakin' And I don't know what to do Thought we were goin' strong, Thought we were holdin' on Aren't we? You and me got a whole lot of history (oh) We could be the greatest team That the world has ever seen You and me got a whole lot of history (oh) So don't let it go, we can make some more We can live forever All of the rumors, all of the fights But we always find a way to make it out alive Thought we were goin' strong, Thought we were holdin' on Aren't we? You and me got a whole lot of history (oh) We could be the greatest team that the world Has ever seen You and me got a whole lot of history (oh) So don't let it go, we can make some more We can live forever Minibars, expensive cars Hotel rooms and new tattoos The good champagne, and private planes But they don't mean anything 'Cause the truth is out, I realize That without you here, life is just a lie

This is not the end, this is not the end

We can make it, you know it, you know You and me got a whole lot of history (oh) We could be the greatest team that the world Has ever seen You and me got a whole lot of history (oh) So don't let it go, we can make some more We can live forever You and me got a whole lot of history (oh) We could be the greatest team that the world Has ever seen You and me got a whole lot of history (oh) So don't let it go, we can make some more We can live forever So don't let me go, so don't let me go We can live forever Baby, don't you know, baby, don't you know We can live forever
