

# Love On The Brain – Rihanna

And you got me, let go  
What you want from me?  
(What you want from me?)  
I tried to buy your pretty heart, but the price too high  
Baby you got me like oh  
You love when I fall apart (fall apart)  
So you can put me together  
And throw me against the wall

Baby you got me like ah, woo, ah  
Don't you stop loving me (loving me)  
Don't quit loving me (loving me)  
Just start loving me (loving me)

Oh, and babe I'm fist fighting with fire  
Just to get close to you  
Can we burn something babe?  
And I run for miles just to get a taste  
Must be love on the brain  
That's got me feeling this way  
It beats me black and blue but it fucks me so good  
And I can't get enough  
Must be love on the brain yeah  
And it keeps cursing my name  
No matter what I do  
I'm no good without you  
And I can't get enough  
Must be love on the brain

Then you keep loving me  
Just love me, yeah  
Just love me  
All you need to do is love me, yeah  
Got me like, ah-ah-ah-ow  
I'm tired of being played like a violin  
What do I gotta do to get in your motherfuckin' heart?

Baby like ah, woo, ah

Don't you stop loving me (loving me)

Don't quit loving me (loving me)

Just start loving me (loving me)

Oh, and babe I'm fist-fighting with fire

Just to get close to you

Can we burn something babe?

And I run for miles just to get a taste

Must be love on the brain

That's got me feeling this way

It beats me black and blue but it fucks me so good

And I can't get enough

Must be love on the brain yeah

And it keeps cursing my name

No matter what I do

I'm no good without you

And I can't get enough

Must be love on the brain
