

# Heal me – Sanah

There was a time I had to handle all myself  
I forgot just how to speak and say my name  
And I'm here alone  
In this room that's never cold  
And it hurts me still  
There was a time  
I had this fear before I sang  
No one told me I should do it for myself  
So I took the mic  
And I sang with all my heart  
And I hope that they remember that  
Oh not this time  
I'm not gonna keep it quiet  
I will open up the gates  
And I hope that it will heal me  
Oh my Lord  
Please don't let me be alone  
Yeah I'm leaving town tomorrow  
And I hope that it will heal me  
Oooh yeah I'm leaving town tomorrow  
And I hope that it will heal me  
Overtime my heart has told me not to waste  
Any minute more controlling myself  
So I picked the one  
With the saddest eyes of all  
And I tried to get her off the shelf  
Oh not this time  
I'm not gonna keep it quiet  
I will open up the gates  
And I hope that it will heal me  
Oh my Lord  
Please don't let me be alone  
Yeah I'm leaving town tomorrow  
And I hope that it will heal me  
Oooh yeah I'm leaving town tomorrow  
And I hope that it will heal me

Oh not this time  
I'm not gonna keep it quiet  
I will open up the gates  
And I hope that it will heal me  
Oh my Lord  
Please don't let me be alone  
Yeah I'm leaving town tomorrow  
And I hope that it will heal me  
Oooh yeah I'm leaving town tomorrow  
And I hope that it will heal me
